How do you make it clear to your ex that you've moved on?

Cupid's Advice:

It's important to show your ex that you have moved on when a relationship ends. We're not talking about busting his car windows in or posting shameless pictures of you making out with random guys on Facebook. Cupid has some classy ways to go about it:

1. Change your relationship status: If social networking is your thing, than make it known on Facebook or with a quick Twitter post that you are now a single lady. Note: This should be the last post about you and your ex left behind in the cyber world.

2. Take a hint from Brandi Glanville: If you're not ready to date, why not have a little fun? A fling or make out session with a hot guy says you've moved on and are focusing on you.

3. Get a new look: Get a new haircut, wardrobe or hobby; celebrities do it all the time! It's time to let loose and have some fun.
