Cupid's Advice:

Introducing your new partner to your pet can be a big step in your relationship and love. Pets can sense emotions like fear and anger, so you need to be sure to relax and enjoy yourself. Here are some tips to consider when your love meets your pet:

1. Go on a date that includes the pet: It doesn't have to be

anywhere fancy. A nice picnic at the park along with a few games of fetch is a perfect example. Pack some sandwiches for you and some treats for your furry friend!

2. Spend a little one-on-one time with them: Just like people, pets need uninterrupted attention as well. Offer to take them on a walk for 15 to 20 minutes so they can get used to you without your partner present.
