

Date Idea: Don't Let Fall Cool Your Dates Down

Fall is here, and what better way to get ready for the cool weather than by heading indoors for dinner and a movie? Try something new by heading to a recently opened restaurant in your town or trying a dish that you and your date can share. Not only are you creating memories, but you're getting ready for the holiday, which is all about giving thanks to one another.

To get current information on new restaurants coming to your area and for some great deals (who doesn't want to save money before the holidays?), check out websites like Bloomspot, Groupon and Living Social.

If you'd rather stay in, become a chef in your own kitchen and start whipping up some fall-flavored creations. Bake a pumpkin pie for your sweetheart, or embrace the season by making it together. Whether you decide to cook a three course meal or just dessert, finish the evening with a movie by the fire, which will put you in the mood to cuddle well into winter.
