How do you know how much to associate with your ex?

Cupid's Advice:

Spending time with your ex post-split is always a touchy situation. Cupid has some factors to consider:

1. Schism: It depends on how bad things ended. It takes some

time to let negative feelings you have about the situation to subside. Don't spend time with your ex until you're totally recovered.

2. The kids are alright: If there are any children involved in your former relationship, you will have to at least know how to behave with your ex in front of your kids.

3. Sparks: If you and your ex split on mutual neutral terms, then it may take less time to feel OK about reuniting.
