Here are some tips:

1. Don't talk about it: Although this may be easier said than done, talking about the past brings up old feelings and memories that can bring you back to a bad time in your life.

Try to avoid conversations about your previous love life for the sanity of you and your partner.

2. Keep a positive attitude: Sometimes talking about your past mate is inevitable. During those times, try to stay positive and talk about some of the good that came out of it.

3. Focus on the present: If you focus on what's happening in the now, there is no need to constantly relive the past. Cast your attention toward a new job, new look or even a new love.
