Dating Advice for Couples Looking for Adventure This Weekend

If you're ready to leave behind the colder weather once and for all, drive South to a warmer state for some fun in the sun. If you're the more adventurous type and want one last cold weather rendezvous before the snow melts away, embrace the chilly season and set your sights North for winter sports. Or you can travel to the nearest mountain and go for a romantic hike. Camping together is another idea that will be sure to keep you snuggling all night. It also adds to the minimalist attitude that road trips are all about! For those couples who want to hit as many destinations as possible, you can fuse romance and adventure and take a weekend cruise.

You and your sweetie can take this time to show love like your

favorite Hollywood couples do since they're always on the road. No matter where you decide to go, if you plan on being in the car for a while, find ways to beat boredom by playing some fun games or using the time to catch up with one other after a long work week. Playing your favorite music or an audio book will give both of you something to enjoy while driving too.
