

Dave and Odette Annable Will Celebrate One-Year Anniversary at Wedding

To celebrate one year of marital bliss, Dave and Odette Annable plan to head to attend their friend Beaver's wedding. "Marriage is going well. It's officially four puncture wounds with a steak knife to the kidney – I can survive. I figured that out in the first year of marriage," he said jokingly to UsMagazine.com at the *What's Your Number?* premiere in Westwood, CA, last Monday. Dave said that he and Odette, whose anniversary is October 10, generally plan to follow the tradition of buying a paper gift. "I actually just asked her, 'Wait, how do we do this? Do you get me something?'" he said. "'Should we get pizza? What's the deal?'" So long as he buys a gift, Dave said he'll be in the clear.

What are some ways to make your first anniversary extra

special?

Cupid's Advice:

1. Recreate the magic: To celebrate your anniversary, why not head back to where it all began? Reminiscing will allow you both to remember again why you fell for each other in the first place.

2. Celebrate: Whatever you do, make sure it's something fun and unforgettable. You'll want to have something you can tell your friends and family for years to come.

3. Out of the ordinary: If you're generally on the move, then perhaps a night in would work ... just make sure to light some candles and crank up the jazz music.
