## **Cupid's Advice:**

Sometimes, you just have to let go. Ending a relationship is never easy, but you can't ignore the signs that point towards Breakupville:

- 1. Your relationship is unstable:** If your friends and loved ones can't keep up with your relationship status, it's time to call it quits.
- 2. No change:** When neither of you are trying to change what is wrong in the relationship, than there's no point in keeping the relationship going.
- 3. It's okay to let go:** Sometimes we can become familiar with a person and become scared to move on. The thing is, if moving on means being happy, than a little fear is worth it.
