What are some ways to "play it cool" in a new relationship?

## Cupid's Advice:

When you're exceptionally excited about a new partner, it's hard not to let too much of your excitement show. Here are a

few ways to "play it cool":

- 1. Keep dates simple: When planning dates, don't put in too much effort. A simple outing to the park or a trip to the nearest ice cream parlor is a great way to casually ease into a more serious relationship.
- 2. Limit your contact: To keep your cool, try limiting the contact you have with your new significant other. Don't text or call too frequently. You'll pique their interest by remaining mysterious.
- **3. Don't overdo it:** While being too excited about a new relationship can be a turn-off, appearing too disinterested can be just as bad. Make sure your new love interest knows how much you value your new relationship.
