What can you do to prepare your child to be an older sibling?

Cupid’s Advice:

A new baby can take up most of your time, and it’s easy for older ones to feel left out. Here are some of Cupid’s ideas

on preparing your child for a baby on the way:

1. Involvement: Keep your child involved by letting him or her help with baby preparations, like decorating their room, or picking out clothes.

2. Minimize jealousy: Don't make too many changes to your child's routine right before the baby is born. This might foster resentment towards their new sibling, as those changes will be associated with his or her birth.

3. Practice: Give your child an idea of what he or she has to look forward to by visiting friends or relatives who have infants.
