## **Cupid’s Advice:**

Raising a family can be tough, especially when you’ve just had your third child. Here are some changes you’ll experience:

**1. More chores:** Having three children means there will be more things to work on: cleaning, feeding and even shopping for them.

**2. Find time:** When a new child joins the family, they get most of the attention. Make sure to also find time for your two older children.

**3. Creating alliances:** You'll experience jealousy and tantrums among the children and will find yourself trying to encourage an alliance between all three.
