How does the dynamic change when you add a third child to the mix of your family?

Cupid’s Advice:

Raising a family can be tough, especially when you’ve just had your third child. Here are some changes you’ll experience:

1. More chores: Having three children means there will be more things to work on: cleaning, feeding and even shopping for them.

2. Find time: When a new child joins the family, they get most of the attention. Make sure to also find time for your two older children.

3. Creating alliances: You'll experience jealousy and tantrums among the children and will find yourself trying to encourage an alliance between all three.
