How do you balance an impending marriage and soon-to-be parenthood?

Cupid’s Advice:

Though both wedding planning and pregnancy are exhausting, it

is possible to balance both. Here are a few suggestions:

1. Enlist help: Planning a wedding is difficult even for people who aren't pregnant. If a wedding planner is outside the budget, rely on your bridesmaids or phone a close friend for some extra help.

2. Remember your schedule: If you're planning on getting married while pregnant, make sure to keep your biological calendar in mind. For example, don't buy a wedding dress that will soon be too small.

3. Take it one step at a time: If planning the wedding is too stressful or if you're having a rough pregnancy, it's okay to put the wedding on hold. Extend your engagement and wait for a time when you're feeling up to the task.
