Begone.

Check out Cupid's 'must have' product, <u>Cold Sores Begone</u>. It's an herbal topical remedy which instantly aborts the infection, preventing an embarrassing cold sore from surfacing. A few quick dabs to the affected area when the early 'tingle' symptom occurs does the trick. It's a life saver, especially when your appearance is most important.

Cost: \$11, available at selected health food stores and online. You can also call (888) 877-6315.
