How do you keep a new relationship under wraps?

Cupid's Advice:

When a relationship is very new, it's too early to know if it will last or not. Here are some ways to keep it under wraps until you're sure something is beginning:

1. Think twice about social media: Doing something as harmless as writing “Hi Honey” to your potential partner on Facebook or Twitter is enough to give you away.

2. Don't get physical in public: It's a small world. Therefore, you will probably bump into someone you know while holding hands in public.

3. Don't blurt it out: The biggest giveaway could be your excitement about a potential new relationship. Although you no doubt have butterflies right now, keep them quiet while around your family and friends.
