What are some factors to consider when you're deciding on a home with your partner?

Cupid's Advice:

Settling down with your partner is one of the most significant steps in your relationship. Here are some primary factors to consider when finding a place to build your nest:

1. Kids: If you want kids, you should look into the quality of schools in the area. You'll probably want to live in an area with other families, playgrounds, etc.

2. Family and friends: It's often good to be close to friends and family for a support system.

3. Comfort: Live where you both feel both comfortable and happy. Whether that's a result of weather or proximity of good restaurants and shopping, take it all into consideration before committing.
