What are the advantages of raising a pet together?

Cupid's Advice:

Taking care of a pet is no easy feat, but it does come with some valuable lessons and perks. Here are a few:

1. Prep for kids: If you're considering having kids at some point, but are a little bit hesitant, consider bringing a pet into your family. It'll definitely teach you about the responsibility that goes into having another living thing to care for in your family.

2. Reliability and trust: Caring for a dog can teach you to rely on each other in a relationship. You'll also find out if your partner is capable and compassionate.

3. Sharing responsibility: If you're raising a pet with your significant other, you can both do the duties that go along with it. You can take turns walking a dog or cleaning a litter box. It's less work for you both.
