How can you tell if your friend is happy in their relationship?

Cupid's Advice:

If you notice your friend being positive and optimistic about life and love, they are definitely happy in their current situation. Acknowledge the small changes in their demeanor and personality:

1. More smiles: Whether it's giggling at a text or beaming just because, your friend is all smiles all the time. A grin is an obvious indicator of happiness, and it's clear that their new love interest is to thank.

2. Change in wardrobe: If you notice your friend is wearing something a little more flirty and fun than usual, it's probably the result of a good new relationship. Satisfaction in love can easily seep in to other aspects of life.

3. Simple statement: "I'm happy in my relationship." is a pretty clear sign that your friend is just what he or she said. Sometimes a direct statement shouldn't be questioned.
