What are some ways to support your partner's career?

Cupid's Advice:

Even if you don't fully understand your significant other's career, it's important to show your support. Cupid has some ways to do just that:

- 1. Be there:** Be aware of your mate's career moves and changes so that you can support and encourage them each step of the way. Pep talks at the right times certainly couldn't hurt.
- 2. Promote relaxation:** Help your partner take their mind off of hectic or stressful times at work by doing something fun. Theme parks, movie theatres, or even a short interlude at a coffee shop like Karolyn Pho and Shia LaBeouf work great.
- 3. Show understanding:** If your partner has a chaotic job, they may not always be home on time, or they may have to travel a lot. Be willing to travel with your partner, and if that's not possible, make the time you have with them count. Whatever you do, don't make them feel guilty.
