How do you know when it's time to say "yes" to a marriage proposal?

Cupid's Advice:

It can be tough to really *know* when you're ready to marry someone you've been dating. The step between partners and spouses is a big one. Cupid has some things to consider:

1. Are you in love?: If you're truly in love with your partner, it may be time to make it official. If you have doubts, it's probably best to wait it out a while.

2. Why not?: If you're not getting married because of a reason like financial issues, chances are you're not ready. Go with both your gut and your heart.

3. It's just a ring: Saying "yes" to a proposal doesn't mean you'll be signing a wedding certificate the next day. If the love is there, say "yes" and continue working on your relationship. If you change your mind, call the wedding off. It's not preferable, but at least the option is there.
