Is it OK to date around?

Cupid's Advice:

When you're young and single, there's no reason to tie

yourself down. Cupid has some tips:

1. Explore your options: There's a whole sea of men out there and you need to do some fishing around before you reel one in. Dating around is a great way to meet new people and compare them to past experiences.

2. Figure out what you like: The best way to find personalities you're compatible with is to experience different people. After dating around, you gain a keen sense of your preferences for a partner.

3. Have fun: Dating can be a great experience. You have opportunities to have a great time or a not-so-great time, and you can learn from those situations. You may find that you don't want to pursue a relationship with some of the people you date, but you might make some great friends and connections along the way.
