What are some ways to keep the romance alive after you have kids?

Cupid's Advice:

1. Body contact: Intimacy is the key to keeping the flame

between you and your partner like. Hugging, holding hands, and rubbing his/her arm shows that you care and are sexually attracted to your partner, in a G rated kind of way.

2. Date night: Going out on a date once a week can be difficult when you have kids, but staying in can really be romantic. Turn your dining room into a restaurant or your bedroom into a spa for you and your partner to relax and enjoy each other.

3. Be thoughtful: Give your partner a gift, but have the kids be a part of it. Want to give her roses? Let the little ones pick it out, this way romance isn't lost and neither is time spent with the kids.
