

Date Idea: Say Cheese at a Photo Shoot

By Amanda Martin

Spend this weekend enjoying the beautiful outdoors with your honey while making photo memories that last a lifetime.

Visit a park or local garden and soak up the surroundings while enjoying the company of your significant other. Smell and identify the flowers, pack a picnic lunch and spend time throwing around a Frisbee. This is no time to be camera-shy. Be sure to capture these photogenic moments by asking passers-by to take pictures. You can even turn this into a mini photo shoot. Style your boyfriend or girlfriend how you think they look sexiest and then have them pose.

When you're ready to go home, upload your pictures and start a scrapbook. It's easy to do using a website such as Snapfish. Don't limit yourself; you can also make calendars, mugs, posters and cards. These souvenirs are a fun way to catalog your [romance](#) and they help remind you of the great times you had together.

How do you make your memories last a lifetime? Let us know in the comments below.
