Is it OK to leave the possibility of a rekindled romance open after a breakup?

Cupid's Advice:

Most breakups end miserably, but some close on good terms. Staying friends usually means that you think there's a chance

of eventually getting back together with your ex. Here are some things about which to be cautious:

1. The reasoning behind your breakup: The thing is, you probably broke up for a reason. If nothing in either of your lives has changed to affect that reasoning, there's probably no reason the relationship would work if you gave it a second shot.

2. It could get messy: Thinking about getting back together with your past love could lead to a "friends with benefits" situation and a huge mess of emotions. Be prepared.

3. Your partner's intentions: If you're going to rekindle a romance, it's important to have a long discussion with your ex before jumping back into things. Make sure you know what they expect from a relationship, so that you go into it with clarity.
