How do you prepare for raising two children instead of just one?

Cupid's Advice:

Building your family is both exciting and scary. The best

thing you can do is to be prepared and get your current child ready for the addition:

1. Expand your nest: It may be time to turn that two-bedroom into a three. Whether that means moving or adding on to your current home, it's time to make the necessary arrangements.

2. Talk to your child: Prepare your first child for the new addition to the family. Tell them what to expect and get them excited about being a big brother or sister.

3. Get rest: It's hard enough to get rest when you only have one child, but it's twice as hard when you have two. Stock up on sleep!
