What do you do if your ex starts bashing you behind your back?

Cupid's Advice:

Bashing your ex behind their back is about as about as low as you can go. The best you can do is ignore it and refrain from adding to the furry:

1. Take yourself out of the situation: If the gossip is so bad that you can't just ignore it, get out of town for a while or try to be in a place void of your ex.

2. Don't add fuel to the fire: The worst action you can take is to contact your ex and let them know how upset you are. It will just make matters worse and give them the satisfaction of knowing that they got to you.

3. Move on: Don't let the rumors and the hate stop you from moving on with your life and finding someone new.
