What are some goals to work toward as a couple?

Cupid's Advice:

As important as it is to have goals when you're single, it's

just as important to set goals as a couple. Achieving them becomes all the sweeter! Cupid has some things to work toward with your partner:

1. Living space: You and your partner should have a goal in mind of where you want to live. Whether it's together or separately, have your living arrangements figured out.

2. Financial goals: Make sure you and your sweetheart know what expectations you have when it comes to money. If you have the same financial goals in mind, you're more likely to be on the same page when it comes to spending money.

3. Future goals: What do you and your partner have in mind for the future? Make sure you both know if you're on the same page with things like marriage, kids and travel.
