**How do you decide which engagement ring to get your partner?**

## **Cupid's Advice:**

The ring is at the center of every engagement. It's the first thing people are going to ask about, so it's important to make

it special. Cupid has some tips:

**1. Originality:** No one wants the same ring as someone else, especially a friend or family member. That would be a disaster. Make sure the ring you choose bears no resemblance to one belonging to someone close to your partner.

**2. Your budget:** Not everyone can afford 10 carats, and that's okay. Get something classy that your partner will cherish forever.

**3. You partner's taste:** The type of jewelry you might like may not exactly be your partner's taste. Figure out a way to find out their preferences, whether that means asking them directly or polling their family and friends.
