

Adele Visits a Swamp with New Boyfriend Simon Konecki

Under-the-weather singer Adele has been out and about recently. The “Somebody Like You” songstress, who’s recovering from vocal chord surgery, took a romantic walk with new boyfriend Simon Konecki in the Everglades on Monday, reports UsMagazine.com. Konecki, 36, is a founder of the charity Drop4Drop, which gives clean drinking water to those who need it. “[Konecki] watched [Adele’s] every move, especially when she was on the dock and on the boat. He wanted to make sure she didn’t fall into the water!” said a witness. “They were lovey dovey with one another [and] very into each other. She seems really happy.”

What are some unique and romantic locations to take a walk with your partner?

Cupid's Advice:

Sometimes the best dates are the simplest ones. Here are a few unique and romantic places to take a stroll with your significant other:

1. The woods: Try escaping the hustle and bustle of city life and driving to a more rural location. Take your partner on an expedition in the woods. Bring along a camera and plenty of insect repellent.

2. The harbor: If you live by an ocean, there's most likely a nearby harbor. Most harbors have a boardwalk, some of which have stands that sell ice cream and other snacks. Take your partner and admire the ships and seagulls.

3. Your neighborhood: Though this seems less than exciting, chances are you haven't fully explored your own neighborhood. Take a left turn where you normally take a right, and discover the rest of your environment.
