How do you know when it's time to tie the knot?

Cupid's Advice:

It's not always clear when it's time to take the big step of marriage with your partner. Cupid has ways to know if you're meant to be:

1. No need to impress each other: You're able to be yourself

around your partner. There's no longer a need to pretend you like their weird music or have a taste for fondue.

2. Trust: You trust each other. When you go out, you're not wondering what they're doing and vice versa. A secure relationship is critical when taking it to the next level of commitment.

3. Ready for forever: Once you've truly grasped what marriage means and that you want to be with this person for the rest of your life, then marriage may be the next step. If you can't imagine your life without them, maybe you should make them a more permanent part of it.
