What do you do if your ex airs details of your failed relationship?

Cupid's Advice:

It would be nice to think that after a break-up, your [ex](#) would

refrain from giving away the good and the bad of your relationship. However, sometimes it happens. Here's how to cope:

1. Ignore: It may seem easier said than done, but you need to be the bigger person and show your ex that you are a confident single gal.

2. Fight fire with fire: If you want to get rid of your babbling ex partner, why not tell everyone a secret from your past relationship that will put him/her to shame? This may be stooping to his level, however, so think about it carefully before doing so.

3. Own up: Go ahead and confess to the bad that your ex is laying out to the world. You will look like the honest ex who has nothing better to do, but move on.
