**What are some ways to mourn after a split?**

## **Cupid's Advice:**

Sometimes it can be hard to get over a difficult breakup or split. Cupid shares some ways to mourn:

**1. A specific end is helpful:** Being able to look back at the relationship and acknowledge when it was really over can help you to move on. It allows you to adjust to the breakup or divorce more easily.

**2. Accept some responsibility:** Being able to realize what went wrong in the relationship can be very therapeutic. It's important to be able to realize that this divorce is not really a rejection of you personally; it's just a combination of two people that didn't work out.

**3. Cut off communication:** Completely shutting down communication lines can be hard when you have children like Heidi Klum and Seal, but to be able to truly mourn and get over a split, you have to take some time for yourself.
