Is it OK to work with your partner after a split?

Cupid's Advice:

Though most individuals prefer distance after a breakup, it is possible to work with your former partner again. Here are a few things to consider before working with your ex:

1. Time: Make sure to take some time before reconnecting with your ex. Work together only after the two of you have had time to heal and move on with your love lives.

2. Your ex: Though your feelings may have passed, the same may not be true for your ex. Make sure that your former partner has moved on before working together. Working with unresolved tension will not be productive.

3. Your reasons: Before you work with your ex, you should be sure that you have pure intentions. Don't work with your ex if you feel guilty about the breakup or your ex's current situation. Make sure your top priorities are work-related.
