Cupid's Advice:

Getting back into the dating scene after a breakup or a divorce can be tricky. Here are some ways to keep things simple:

- 1. Keep quiet:** Your first few dates after getting out of a serious relationship can be a little shaky, so only tell one or two people close to you that you're seeing someone until you think the relationship is ready for exposure.
- 2. Social media:** Keep the relationship status on your Facebook out of the situation. People love gossip, and changing your status will make the topic free game for anyone with access to your page.
- 3. New places:** Avoid going to the same places that you used to frequent with your ex. People will realize that your old partner is missing, and without knowledge of the split, could bring up some topics that could result in awkward conversations.
