Excited about an upcoming Valentine's Day date? Even if you're going out with your husband or long time bf, it's a great excuse to shake things up and go out for a night on the town. Lost on what to wear? Never fear! I'm here with three different looks that are sure to please you and your man. Here's the first one:

Go for an understated, sexy look this Valentine's Day. Instead of baring it all, choose a dress with a fair amount of coverage, and just the right amount of skin. This one-shoulder body con dress is sure to do the trick. Plus, it's navy, which happens to be the new black. Keep accessories nude and minimal to bring the focus to your face. A nude lip and smokey eye would pair beautifully with this look, and so would a low messy bun. The clutch purse with a large buckle is a great match for this look! Be fierce and fabulous in this sexy look.
