

# Valentine's Day Outfit Ideas: Sophisticated

By Sarah Thaman

Excited about an upcoming Valentine's Day date? Even if you're going out with your husband or long time bf, it's a great excuse to shake things up and go out for a night on the town. Lost on what to wear? Never fear! I'm here with different looks that are sure to please you and your man. Here's the final of the three looks:

This Valentine's Day look is great if you're meeting up with your date after a long work day. Switch out your shoes for a flash of metallic and a big cocktail ring to jazz it up. Keep your makeup minimal and freshen it up with a highlighter to give your face a subtle glow. When swiped down the bridge of

the nose, the Cupid's bow, and near the temples, highlighter gives your face a gorgeous, fresh look. The pop of seafoam green in the fold-over clutch adds a surprising and polished detail. Again, keeping with the "fresh" and sophisticated look.
