It's the first streaming video subscription designed to reach those interested in health, wellness, yoga, fitness and personal development. Gaiam TV's yoga and fitness studios are also flexible and simple to use. With Gaiam TV, viewers can easily search for videos, make playlists and preview selections. But the part we love the most is the fact that viewers can customize their workout for weight loss, total body sculpting or increased energy and narrow down their options based on level, style, instructor and amount of available time. And when they say instructors, they mean top instructors like Rodney Yee, Seane Corn, Jillian Michaels, Mari Winsor and Kathryn Budig. It's like having a 24/7 personal trainer in your living room. This type of flexibility gives you the opportunity to exercise before, or even after your date if you choose.
