I think there is. In fact, I think there is more than just one. Soul mates, twin flames, and divine complements are real. You can find yours by sifting through your past dating patterns to become your most emotionally healthy self. Soul mates are *supposed* to find each other. You can tap into that universal, cosmic truth and attract yours.

I define soul mates as people who are from the same “soul family.” That means that these beings know one another on a mystical, spiritual level. Soul mates can be friends, family members, and romantic partners. They are our soul deep

relationships.

What is magnetism and how do we attract our future soul mates with it?

Some people are dazzling, charismatic, and attractive. They pull you in; they're magnetic. That's the kind of person you want to be when you're searching for the perfect guy. Now don't misunderstand the idea here. You don't have to become someone different just to land a guy; you just have to be the best you possibly can. Not sure how to put your best foot forward? Well, in their highest expression these dazzling people have the following five traits that you should strive to exude:

1. They love themselves and they know who they are.
2. They are confident.
3. They are authentic—they are just themselves.
4. They own their sexuality and consciously direct their sexual energy.
5. They are magnetic.

You may not realize it now, but you already hold the key to becoming one of these dazzling people. All you have to do is embrace your inner strength and learn to love yourself for who you really are.

You talk about potential vs. reality. Are we wasting our time if we look for a partner who has the potential to be what we want?

Yes. Look for a partner who is already, in reality, today, what you want. Waiting for a person to reach what you perceive as their potential is an unsatisfying way to be in a relationship. Most of the time you are setting yourself up to be disappointed and settle for the wrong person.

What would you say is the #1 do and #1 don't from your Spiritual Dating list?

#1 Do: Trust your instincts.

#1 Don't: Don't go against your gut feelings.

It is crucial to listen to your intuition and inner voice. You already know what is best for you. You just need to listen.
