How can music help you recover after a tough breakup?

Cupid’s Advice:

Sometimes it can be difficult to find ways to get over your ex. Cupid shares some advice about using music as an aid to recovery:

1. Sad love songs: It's cliché, but true. Listening to sad music can give you the perfect opportunity to cry and let it out, instead of holding it all in. It's a better outlet than venting too much to those outside the relationship.

2. Embrace the music: Taking up a new habit, such as learning a new instrument or joining a singing group can be a good outlet. It gives you the ability to concentrate on happier moments and forget the lack of compatibility with your ex.

3. Write it out: You don't have to be a superstar like Katy Perry to embrace the heartache, and write a song about your ex. It might not hit the charts, but it'll do the trick.
