How do you prepare your pet for the arrival of a new baby?

Cupid's Advice:

For most couples, getting a dog is a great learning experience before having a baby. Therefore, when the time comes to add a new bundle of joy to the family, couples need to prepare their child's future sibling and best friend. Here are some fun ways to get your pet ready for a new baby in the house:

1. Less attention is okay: Pets are just like children,

because they need a lot of attention. Try to practice minimizing that attention before the baby comes.

2. Consider a training class: Take care of your pet's urges of possessiveness and mouthing/scratching.

3. Dress rehearsal: Use a doll or ask friends to bring their babies over so your dog can become comfortable around children.
