How do you keep the intimate details of your relationship private?

Cupid's Advice:

The intimate details of what goes on between you and your lover are only for the two of you to share. Here are some tips to keep those moments private:

1. Make a pact: Agree with your significant other to keep your private lives on the down low. If you are both on the same page you should be able to keep your secrets between yourselves.

2. Don't share with friends: If you want don't want anyone to know your business, sharing your relationship secrets with your chatty girlfriends isn't a good idea. Don't tell your friends random lies to satisfy them either, or you'll start hearing rumors that you started yourself.

3. Keep PDA to a minimum: The key to keeping rumors at a minimum is to keep your relationship behind closed doors. Even if it's not rumors that are being spread, keeping PDA to a minimum will keep people from talking about your relationship and ultimately asking about the intimate details.
