### **Cupid’s Advice:**

Not everything is going to be smooth sailing in your relationship, especially when you or your mate is going through a tough situation that draws negative feedback. However, as long as you both have each other’s back, then that’s all that matters. Here are a few ways to stand up for your partner when going gets tough:

- 1. Say something:** When someone makes a negative comment about your partner, speak up. It can make a big difference in the face of a rumor.
- 2. Back your partner up:** Your sweetheart may not always make the best decisions and may regret certain decisions, but if you love them, have their back anyway. After all, they’d do the same for you, right?
- 3. Stand by me:** There are times when your mate may be the victim of public backlash, and that’s when they will need you the most. So, instead of fading into the background to avoid humiliation, show your support by being right there with them.
