How do you plan your dream wedding in a short amount of time?

Cupid's Advice:

Planning your wedding can be a stressful time, and adding in

the time element just increases one's worries. Cupid shares some tips on how you can plan a wedding quickly:

1. Location: Some places offer last-minute discounts. Try to schedule your wedding and reception at the same location. Also, be flexible on the exact date and time.

2. The dress: If your wedding is in three months or less, it's unlikely that you'll be able to custom design a dress. That doesn't mean you can't find your dream dress. Check out boutiques which have wedding gowns in a variety of sizes so that you're able to find the perfect outfit for this important date.

3. Invitations: Take care of invitations first. It's important to give guests at least six weeks notice, so sit down with your partner and decide on a guest list. Doing this will ensure that those you love most will be there to see you tie the knot.
