

Date Idea: Document The Romance With A Flash

By Steven Zangrillo

Even for the strictest of mathematical minds, creating art is one of the most rewarding experiences. Making photo memories with your soul mate distinguishes you as a couple and supplies physical proof that you are meant to be together.

Pick a location for the shots, be it the nearest park, museum or beach. If there's a place of value to the both of you – the place where you met, a place you love to visit together – head there first. Start snapping away pictures, capturing images and new memories one click at a time.

There are many easy-to-use photo-editing programs available

online. You can download them through the Mac App Store, Amazon, or purchase them at your local Software store. Once you load you upload your photos, you and your partner can hang out and edit them together. There is even new social media, like Instagram and Hipstamatic, that let's you edit straight from your phone or tablet. You'll be learning a new skill as a couple. Learning together is an incredibly important component to growing closer with your mate.

So, start snapping away. Let your creative minds take care of the rest.
