## **Cupid's Advice:**

Managing PDA is always tricky, but it's especially tricky around friends. Here are a few ways to show affection without making things awkward:

**1. Tone it down:** Try toning down your usual displays of affection in order to make your friends feel more comfortable. Give your partner a hug instead of a kiss, or hold hands instead of sitting on each others' laps.

**2. Keep it quick:** Keep your displays short and sweet. Give your partner a quick kiss when your friends' backs are turned or go in for a short hug.

**3. Little gestures:** Try holding your partner's hand or sitting close to them. These little gestures will allow you to show affection without making your friends uncomfortable.
