How do you know when you're ready for marriage in a relationship?

Cupid's Advice:

Sometimes it can be difficult to decide when to make that big decision to walk down the aisle with the love of your life.

Cupid shares some ways to know if you're ready:

1. You don't have to talk yourself into it: If you have to talk you or your partner into the idea of getting married, you're probably not ready. There should be no hesitation from either of you.

2. Stability: Are you or your partner financially unstable? You should both have steady jobs so that money doesn't become an issue early on in your happy marriage.

3. Trust: Your partner should be honest and open. It's important to make sure of this before taking that big step toward marriage.
