What are some ways past mistakes help future relationships?

Cupid's Advice:

The best part of a faulty past relationship, is that it's in

the past. You now have control of your new relationships and know exactly what to avoid. Here are some ways past mistakes can help you in the future:

1. You know how to avoid silly arguments: From past relationships, you realize that all of the little fights you had were pointless, and you know to just avoid those all together in the future.

2. Improve communication: The biggest aspect of a relationship is communication. A lot of the time, arguments are started because there was a miscommunication. So in your new relationship, you know exactly how to say things and when to say them.

3. Don't let a relationship take over: As you can see from past faulty relationships, sometimes things just don't work out. Now you know to keep that balance between your normal life and your new beau.
