In a recent interview, DeGarmo explained exactly how she bonded with long-term boyfriend Ace Young, a fellow *American Idol* contestant, reports UsMagazine.com. “We are best friends! Is having a lot in common a requirement in a relationship?

Cupid's Advice:

Though opposites may attract, they do not always stay together. Here are a few reasons why having a lot in common with your partner makes for a better relationship:

1. Conversation: Especially when you first start dating, having a lot in common makes for easier conversation. Talk about your favorite places or your mutual love of action movies.

2. Dating: Dating becomes much easier when the two of you have similar tastes. When you and your partner agree often, there's usually no need to debate over where to go or what movie to see.

3. Compatibility: If your relationship is getting serious, you may need to discuss long-term goals and plans. When you have a lot in common with your partner, you may find this discussion easier.
