**What are some unique ways to celebrate your engagement?**

**Cupid’s Advice:**

Getting engaged is one of the most exciting moments of your

life, and this is when you and your fiance begin a new chapter in your life. Cupid has some tips to make it special:

**1. Getaway:** You and your new fiance should take a weekend vacation together where you can celebrate your new status together and flaunt your hubby or wifey-to-be on your arm. This way you can have a little fun along with rest and relaxation before the stressful planning begins.

**2. Surprise announcement:** You'll hardly be able to hold the news inside, but if you can stand it for a couple of days, surprising your parents and closest friends at a dinner or party would be a great way for everyone to get really excited and celebrate together. A more unique approach might be putting a video together on YouTube and breaking the news on the web.

**3. Make memoirs:** Don't wait to get your engagement pictures because you'll be glowing with excitement and you want to be able to capture that. It's also a good (and maybe cheesy) idea to write love letters to each other including details of the proposal. Keeping a journal of your life together will be something you'll appreciate having later when you can look back and reminisce about your journey.
