How do you prepare for your second child differently than your first?

Cupid's Advice:

There is nothing like becoming a parent the first time around,

but how do you prepare for when it's time to extend your family? Here are some tips when preparing your family for a new edition:

1. Prepare your child: Preparing for a second child involves more than just stocking up on diapers, talk to your first child about becoming a big brother/sister.

2. Prepare your finances: Having one child is expensive and having another will only make your budget tighter. Figure out your money situation and get your savings account in order.

3. Prepare your village: It takes a village to raise a child and in your case, two children. Figure out your new busy schedule and gather support from family and friends.
